Phased manufacturing programme for Rifampicin

1450. SHRI DHARANIDHAR BASUMATARI: Will the Minister of INDUSTRY be pleased to refer to the answer to Unstarred Question 3733 given in the Rajya Sabha on the 29th August, 1988 and state:

(a) whether it is a fact that two years are over for which he phased manufacturing programme for Rifampicin was approved;

(b) what are the reasons for not specifying the name of intermediate in the phased manufacturing programme;

(c) whether it is a fact that his Ministry was not aware about the import content per kilogram of production vis-a-vis the import price of the drug when the phased manufacturing programme was approved;

(d) if so, whether his Ministry obtained these details; and

(e) if not, what are the reasons therefor and if so, what are the details of import per kg. of production of this drug at the time when the phased manufacturing programme was approved and at present?

THE MINISTER OF INDUSTRY (SHRI J. VENGAL RAO): (a) The two year period allowed for manufacture of Rifampicin from intermediate stage is reckoned from the date of commencement of production and therefore it varies from unit to unit.

(b) There are several intermediates involved. Most of the units are producing from 3-formyl Rifampicin SV. However one unit has proposed further backward integration from Rifamycin-S.

(c) to (e) Several factors including import content, outgo of foreign exchange and availability of technology were taken into consideration by the PMP Committee.
